- To provide opportunities for competitive sport with local schools
- Increase opportunities for PE/Sports events
- To develop a positive attitude to sport and physical activity and a healthy lifestyle
- All children benefit regardless of sporting ability
- Staff have access to training opportunities and continued professional development to ensure high quality teaching of PE/Sport
- We make use of collaborative and partnership working
- Increased physical activity for pupils in both PE and playtimes

Eligible Pupils – Year 1 and Year 2 = 201		
Total amount of PPSG received = £8,961      Total amount spent in Academic year 2015-2016 =£7,810.18		
Area of Support	Estimated cost of Funding	Evaluation and Impact
West Sussex West Schools Sport Partnership <ul style="list-style-type: none"> <li>• 3 x interschool competitions for 90 children (Year 1)</li> <li>• 1 x intra completion support with Sports Leader workforce e.g. Sports Day</li> <li>• Huff &amp; Puff family play programme for 90 children including on school site launch session, resource pack per child and Huff &amp; Puff festival at The Regis School</li> <li>• 5 x staff CPD sessions</li> <li>• Playground Activity Leaders (PAL) training</li> </ul>	£2,330	All children had the opportunity to take part in a variety of sporting activities throughout the year. This taught the children that exercise promotes a healthy lifestyle and inspired and challenged them to improve their own skills.  The PAL training for 10 Year 1 and 10 Year 2 children has enabled them to encourage others to be more active at playtimes.  Staff who attended the CPD sessions felt more confident at delivering high quality PE lessons and improved their own knowledge in this area of the curriculum.  We have also seen an increased uptake in after school sports clubs.
Supply cost for 2 teachers to attend 4 of the 5 CPD sessions	£800	Staff who attended the CPD sessions felt more confident at delivering high quality PE lessons and improved their own knowledge in this area of the curriculum.

Cost of West Sussex PE conference Supply cost for PE subject leader to attend West Sussex PE conference	£400	The PE subject leader was inspired by the speakers and felt more confident in her role in motivating the rest of the staff to make PE a higher priority. She delivered high quality staff training following this conference and ordered more resources to enable teacher to deliver high quality PE lessons.
Cost of 6 week fencing taster course for all Year 2 children	£1,110	The vast majority of children in Year 2 took up this opportunity and all the children enjoyed learning a new skill. It has inspired several of the children to take this up as a hobby with Chichester Fencing Club.
Cost of PE Leadership time one day per term to review SOW, evaluate and review action plans	£1,000	PE subject leader reviewed and updated the SOW. Sourced and purchased new resources for improving Dance throughout the school. Made new resources i.e. dance and games warm up cards etc. This has enabled staff to have easy access to high quality resources which will increase their confidence and children will receive high quality teaching.
Cost of supply for 2 teachers to attend afternoon rehearsals for West Sussex Dance House Festival at The Alexandra Theatre (Year 2 G&T Dance Club)	£200	14 Year 2 children took part in Dance House 2016 at the Alexandra Theatre in Bognor Regis. The children improved their dance skills and performed on a stage in front of a large audience during the evening and also had the opportunity to be inspired by older children who were also performing in the show. The children were invited back to perform in the highlight show and rose the occasion by improving their dance even more.
Resources to encourage children to be more active at playtimes – PAL tabards and hats, playtime equipment and storage for equipment	£500	Children have more equipment to play with at playtimes and are being supported by the PAL leaders. They are more active and also improving their skills.
Resources to improve and extend PE curriculum throughout the school – new gym mats, movement table, music for dance, general small apparatus i.e balls, skipping ropes	£1,470.18	This enabled the staff to teach high quality lessons with high quality resources and enabled the children to improve their skills.
