

Well done everyone!

Thank you to everyone for the fantastic fundraising for goats. Our aim was to raise enough money for 10 goats but we have exceeded this with enough money for 31 goats! It was lovely that each class thought of their own idea about how they would raise the money. The children have learnt so much about what difference the goats could make to a family without anything. I have spoken to Oxfam who will be sending out a special certificate of thanks and I will also be contacting the local paper.

We are buying 15 goat couples at £50.00 and 1 single goat for £25.00
